

# DESIGN YOUR PERFECT BIRTHDAY TEA

*“There was the most gorgeous spread on the table – an enormous teapot, surrounded by lovely pillowy buns, and jellies in four different colours, and jam tarts, and ham, and boiled eggs, and muffins, and a fat chocolate cake with Happy Birthday Daisy piped in white icing, oozing cream.”*

**In *Arsenic for Tea*, it’s Daisy’s birthday. Her mother has organised a tea to celebrate – but of course, things don’t go quite to plan! Can you do any better? Design your perfect afternoon tea here!**
